

## CALIFORNIA CLOSETS®

**BEDROOM WALK-IN**

Your bedroom should be your sanctuary. Well-designed and intelligent bedroom storage can help turn any room into a perfect home base. California Closets offers a wide range of custom bedroom storage solutions that can help you get the most out of your bedroom space.

**PRODUCT FEATURES**

- A walk-in closet can provide ample storage in one space for a couple's wardrobe, shoes and accessories.
- Many walk-in closets have space for a dresser drawer hutch or a convenient center island.
- Our walk-in systems allow you to combine intelligent storage components like multiple hanging areas, adjustable shelving, bins, baskets, slide-out hamper and more.

### ACCESSORIES

Our optional accessories can make organizing, accessing and protecting your belongings even easier.

- Shoe racks
- Tilt-out hampers
- Valet rods
- Belt/Tie/Scarf racks
- Pull out full-length mirror
- Shelf dividers
- Pull out pant/skirt racks
- Jewelry and accessory inserts; velvet-lined, made from wood or acrylic
- Deeper drawer inserts
- Locking drawer options

### DESIGN DETAILS

Our walk-in systems offer:

- Decorative drawer faces
- Fluting, braiding and rosettes
- Shoe fencing
- An optional full-extension runner that allows easy access to the very back of drawers

### FINISHES

Many colors are available. Your design consultant can help you pick the perfect look for your home and lifestyle. See our Finishes and New Accents product sheets for a complete selection.

For over 30 years, California Closets has been bringing home to life for people like you. Our skilled design consultants are trained to listen and work closely with you to bring your dreams to life in any room or space. Let us help you create a balanced solution that fits your home, and your life, to a tee.
